

Citizenship is embedded across our 6th Form curriculum, rather than in isolation. Our primary aim is to prepare our students for adulthood, developing their confidence, independence and understanding of their local community.

Careers

- Work experience placements
- Attending local authority Careers Fair
- 'Employability Skills' Accreditation Award/ Certificate (NCFE)
- Parents' and pupils' aspirations for the future
- 'Learning about the work place' (WJEC)

Prep for Adulthood

- Residential visits
- 'Enterprise skills' Accreditations (WJEC)
- Transition placements for our 6th Form leavers

Volunteering

- Supporting local events e.g. LA conference
- Local community projects – Red Brick Building
'Employability Skills' Accreditation Award/ Certificate (NCFE) - 'Working in a team' volunteering - working collaboratively with Jean Rees students
- National Citizen Service – Somerset Rural Youth Project

6th Form citizenship curriculum 2017-18

British Values

- PSHE - celebrating the British values we display in 6th Form
- importance of following British values
- RE – accepting the belief of others
- Treat everyone equally – independence targets

Money management

- Running weekly school snack trolley
- Selling Enterprise items to parents and community
- Managing Enterprise finances
- Shopping in local community for cooking
- Running 'pop up' café in community
- Organising the 6th Form Leavers' Prom

Social skills

- Strode College experiences
- Working collaboratively with Jean Rees students at Jean Rees/Avalon School
- Communicating with customers during selling Enterprise items and pop up café
- Greeting parents during whole school events e.g. school Christmas performance
