Dear Parent Carers,

I hope you are all well and are that the learning resources provided by school are helping you to fill pupils time.

By now you should have all received a number of keep in contact phone calls and emails from a range of school staff. Please remember that we are available for families should you need us at the difficult time.

We are currently trying to make plans for provision after the Easter break. The current guidance continues to be that **wherever possible pupils should be staying at home**. We do understand this this can be very difficult for our pupils and particularly for parents who are key workers.

With this in mind we are planning for after Easter. We will be open to have small groups of pupils and staff on site on a daily basis. Depending on the need for this we may have to offer pupils access on school on a part time basis. Due to the complexities of transport we would be looking to offer pupils the same sessions each week. If this would prove challenging for you as a keyworker please let us know.

Please could you complete the below form to indicate which day/s you would like access to school. Please also complete the keyworker details if this applies to you as provision will be prioritised for parents who are key workers.

Thank you for your support at this challenging time. All of the staff at Avalon are working really hard to ensure that we are able to continue to support families.

Please keep in touch with us via email and telephone. Updates are regularly available on our website. You can also contact us via the following ways:
