

Staying at

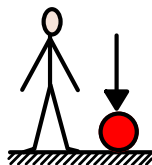

home

We

have to

stay at

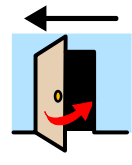

home.

as

school

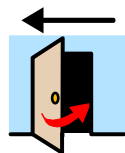

is

closed.

School

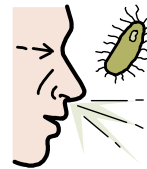

is

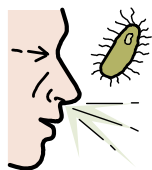

closed

because of

a

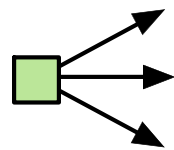

virus.

A

virus

is

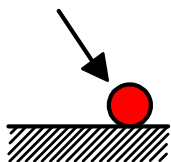

spread

by

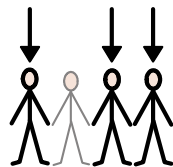

people.

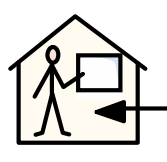

There

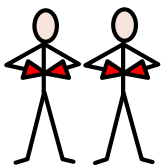

are

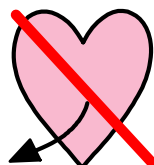

lots of people

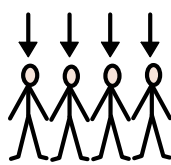

in school .

We

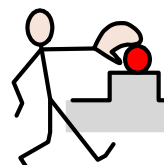

don't want

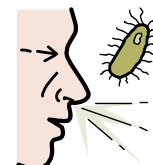

everyone

to

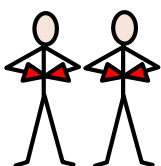

get

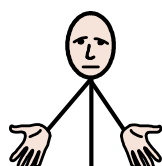

the

virus.

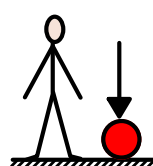

We

need

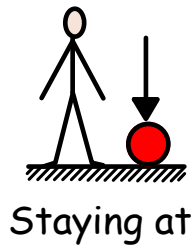

to

stay at

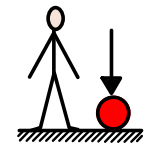

home..

Staying at

home

Staying at

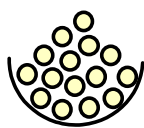

home

can

be

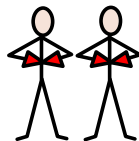

fun.

There are

lots

we

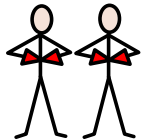

can do

at

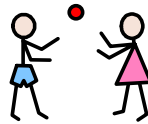

home.

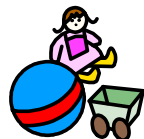

We

can

play

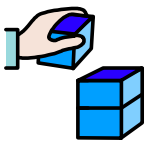

with

toys,

crafts,

build,

read

stories,

++

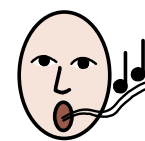

pretend

play,

bake

sing songs,

do puzzles

++

help

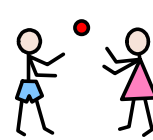

with

chores,

+

and

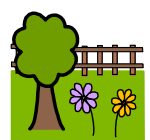

play

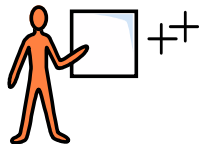

in

the

garden.

My

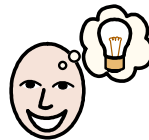

teachers

might

also

give

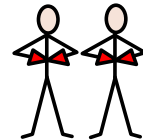

ideas

of

what

we

can do.
